Chicago cabaret artists Anita Kallen and Catherine Thomson (HERstoryMusicalShows.com) prove once again that "well-behaved women seldom make history." They celebrate - in song and HERstory - the rabble-rousing pioneers who won the right to vote for the women of America and those fighting to preserve it today. With music by Sondheim, Lennon & McCartney, the Sherman Brothers, Parton, Schwartz, Porter, and others, Anita and Catherine weave in the story of women's suffrage from second-class citizenship at the nation's founding to the nail-biting final days in the fight for ratification of the 19th Amendment and to present-day efforts to preserve and maximize the power of women voting. In this presidential election year, it's especially important to celebrate the power of the VOTE!
